

2024 Putnam County Educator Boot Camp

YOU are one of the most important influencers of today's youth and we are excited to present our 2024 Educator Boot Camp series. Boot Camp provides a one-of-a-kind learning experience where you'll learn about modern manufacturing, gain an understanding of the abundance of careers that are available right here in Putnam County and hear about the skills, training and education young people need to prepare for, and succeed in local careers. Our request is simple: take your experiences back to your classrooms!

Benefits

- 3 college credit hours through Ashland University (a \$540 value) *Your cost is \$100.*
- Interactive visits at six companies in Putnam County.
- Relationship building for your school by connecting with top level company leaders
- Learn ways to enhance classroom career exploration activities for any grade level
- Community Connections Session introducing you to student/family/career resources

100% Participation required

August 5 Orientation - August 6-7-8 Company Visits - August 12 Presentations
