Your OPPORTUNITY TO LEARN MORE *and* LEAD MORE

WE LISTENED

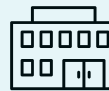

You want to be more ACTIVE in economic and community development, and we hear you! As the business hub for Putnam County, we're working to engage & connect more people and businesses than ever before in 2025.

QUARTERLY CONNECT

Members contributing to the CIC are invited to a Quarterly Connect CIC board meeting, a time to connect where you're a business insider hearing **first-hand** about the local and regional businesses, community successes and the economy.

Help generate homegrown leads to launch and win projects in Putnam County.

Hear about development, sites, buildings, and project success stories.

Be a partner in finding solutions for housing, childcare and community revitalization.

Learn about incentives and how to get financing.

OUR WORK + *you*
= STRONGER BUSINESSES & COMMUNITIES
