

Preparing for your Application

In addition to the business name and contact information, the following information will be required to complete a Good Growth Grant application when the application period opens on January 1.

A. Business Overview

Products / Services Offered

Years in Operation

Number of Employees

B. Brief Description of Your Business

C. Grant Request

1. Amount Requested (up to \$1,000) \$_____
2. Describe specifically how funds will be used
3. How will the grant help your business innovate or grow
4. Please describe any other improvements, growth or innovation that has been achieved
by your business in the last one to three years.
5. What are your business priorities and goals in the next one to three years.
6. Please share how your business serves the community and/or Putnam County.
7. If you plan to improve signage or physical appearance of a building you do not own, do you have owner permission to make these changes?
8. Do you certify the business meets the requirement of \$300,000 or less in annual sales.
9. Supporting Materials
 - o Upload a PDF from at least one business vendor verifying the estimated cost of your project
 - o Optional: if you plan to make improvements to signage or the physical building upload a photo of the planned improvements, or a photo of your building showing where the project will occur.

D. You will be asked to initial the following certification:

I certify the information provided in this application is true and complete to the best of my knowledge. I understand that submission does not guarantee funding and that selected applicants may be contacted for additional information. I understand if I am selected as a grant recipient, my name and photo will be featured in a press release by the Putnam County CIC and/or sponsoring financial institution, WesBanco Bank.
